

## ARSON INVESTIGATION SERIES 2011

The Northwest Area Strike Team (NAS-T) Investigators are sponsoring this series of presentations. They are designed to provide the arson/fire investigator with the knowledge to conduct, compile and prepare an arson/fire investigation for prosecution or other end users. Although, each presentation stands alone, they are presented in an order that generally mirrors an investigation. The following is a list of topics that will be presented during this series:

1. Fire Scene Management – November 1, 2011
2. Fire Scene Documentation – December 6, 2011
3. Evidence Classification, Collection & Packaging - January 10, 2012
4. Latent Print Development – February 7, 2012
5. Property/Evidence Impound Considerations – March 6, 2012
6. Beyond Origin & Cause – April 3, 2012
7. Case Management – May 1, 2012
8. Case Progression & Preparing to Testify in Court – June 5, 2012
9. Final Exercise (Live Burn with Investigation - date to be determined)

NOTE: These dates are confirmed but could change if the instructor has a mandatory conflict. You will be notified of any date changes as soon as possible. All of the presentations will start at 9:15 AM.

The series of presentations is **FREE** and will be offered at the monthly NAS-T Investigator Meetings. They will be held at the Joint Safety Services Building (Norwich Township Fire Department & Hilliard Division of Police) located at 5181 Northwest Parkway, Hilliard, Ohio 43026. They will last approximately 2 hours each and many will include interactive activities. Our instructor is Detective John Wells CFEI with the Hilliard Division of Police.

To reserve your seat (**Seating Limited**) for this informational presentation series, visit the NAS-T Website ([www.nas-t.com](http://www.nas-t.com)) for the registration form and additional information.
